

**Coffee and Mug**  
**15 oz. Insulated Mugs \$10.00**  
**Plus GRACE blend coffee**  
**Ground or whole bean \$6.00 per ½ lb.**

**What is Café Grace Blend (mild)?**

Grace blend is roasted right here at the church. A wonderful, straightforward blend of Columbian, African coffees. You'll notice that the bright flavor is tempered with a round smoothness and ends with a clean finish. Grace blend is loved because of its versatile temperate and wide appeal. You can drink it all day long.
